

**Criteria for Review of Legal Guardians of the Person Providing Paid Supports
under the CAP-MR/DD Waiver**

- ☐ Documentation of guardianship status is provided.
- ☐ Individual meets all provider qualifications of the service to be provided.
- ☐ Evidence that there are no alternative providers to provide the service.
- ☐ Evidence within the Plan of Care that services provided by the guardian of the person are reflective of the individual needs of the consumer.

There must be at least an annual review of the legal guardian of the person as paid care provider to insure that the guardian is acting in the best interest of the ward since the legal guardian is both the paid care provider and the legally responsible person for signing of the Plan of Care reflecting hours of care to be provided.
